

Online bookseller Book-Flicks.com now features e-books and audiobooks by renowned author and poet KJ De LA Jewelz

Jewelz known for works that blast through the predictable to engage and inspire

Los Angeles, California Sep 1, 2026 (Issuewire.com) - Tired of flipping through dozens of movies without finding anything you want to watch – only to turn to books and face the same disappointment?

Online bookseller Book-Flicks.com now features the works of author and poet KJ De LA Jewelz, a cultural force known for blending imagination, creativity, and street smarts into every work he creates.

“My goal is to create great stories across multiple genres that don’t just entertain, but transport and inspire,” Jewelz says. “I am honored to partner with Book-Flicks.com to offer my readers and listeners a new, simple way to [access my work](#).”

In a departure from traditional audiobook narration, Book-Flicks audiobooks of Jewelz’ novels bring the stories to life with actor narrations, sound effects and cinematic-quality production. Genres include mystery, thrillers, urban fiction, romance, adventure and more, each offering a full sensory experience.

Jewelz’ work often delves into significant themes such as race, redemption, personal integrity and personal growth. Notable titles include *The Substitute*, a gripping novella about a wealthy man who becomes a substitute teacher to find purpose; *Scorned Love*, which explores themes of love and heartbreak with unexpected twists; and *Heartless*, a fast-paced e-book and audiobook set in Los Angeles, filled with drama and suspense.

Visit Book-Flicks.com to browse titles available now and return often as its Jewelz collection grows.
