RETURNING 2 ONE

UNITY OF THE PEOPLE WITH MAHDI: ONE SOUL MISSION
TO THE SOURCE

Tomah, Wisconsin Aug 27, 2026 ([IssueWire.com](https://www.IssueWire.com)) - *Returning 2 ONE: Unity of the People With MAHDI – ONE Soul Mission to the Source*, authored by **Annalie Mariem Pelot Al'Khalek**, offers a transformative exploration of spirituality, psychology, consciousness, and interfaith unity.

Written from the perspective of a clinical psychologist, spiritual counsellor, coach, and author, *Returning 2 ONE* seeks to bridge seemingly different spiritual traditions and encourage readers to look beyond religious and human divisions toward what the author describes as a shared connection to the ONE Divine Source.

At the heart of the book is the **MAHDI Code™ — Meta-Awareness, Holistic, & Divine Integration**, a framework developed by Al'Khalek to explore the integration of the **Mind, Body, Heart, and Soul**. Through reflective exercises, psychological perspectives, poetry, personal experiences, and spiritual inquiry, the book invites readers to embark on an inward journey of self-realization and holistic healing.

Bridging Faith, Consciousness, and Human Experience

Returning 2 ONE explores themes drawn from Christianity, Judaism, and Islam, examining connections among sacred traditions, prophetic teachings, ancient mysteries, and humanity's enduring search for the Divine.

One of the book's central explorations is the Hebrew Tetragrammaton, יהוה, and what Al'Khalek identifies through her spiritual interpretation as a deeper connection to Allah and the concept of the Divine Source.

Rather than presenting spirituality solely as an intellectual pursuit, the book encourages readers to engage with their own inner experiences and examine how consciousness, faith, identity, and healing intersect.

A Mission Toward Collective Healing

Beyond individual transformation, *Returning 2 ONE* presents what the author calls the **Collective ONE Soul Mission**, a call to move beyond division and rediscover humanity's interconnectedness.

Al'Khalek describes the book as the culmination of a profound spiritual awakening that inspired her to explore what she believes is a deeper architecture of human consciousness and the soul.

"When you remember the ONE, you remember yourself."

The author hopes the book will serve as an invitation for readers from different backgrounds to reflect on their shared humanity, pursue inner harmony, and explore a deeper sense of spiritual purpose.

Making Transformation Accessible

The mission behind *Returning 2 ONE* extends beyond the book itself. Its digital edition is intended to remain **completely free**, reflecting the author's belief that spiritual knowledge, self-discovery, and

opportunities for personal transformation should be accessible to everyone.

Book proceeds also support the **MAHDI Program through ReThink Consciousness**, which aims to provide holistic healing and educational opportunities to communities around the world.
