

## SoRichiam Media Wants Customers to Wake Up to Eco-Friendly LOVE

**Rochester, New York Aug 19, 2026 ([Issuewire.com](https://www.issuewire.com))** - Boutique book publisher and indie film distributor, SoRichiam Media, has added eco-friendly apparel to its growing list of love offerings. All is inspired by the 2018 book, *My Love is One*, and its companion documentary, *My Love is One TELL THEM*. Both desire more global love and kindness to offset the world's mounting woes.

The indie publisher and distributor wanted something people could physically hold onto in addition to the hope they currently provide through their [digital media](#). The LOVE inspired clothing apparel has helped them achieve this. They also seek an eco-friendly approach whenever possible, and it's growing.

Their popular black and white [LOVE athletic adult track suit](#) is made of over ninety percent recycled polyester. And the [LOVE tote bag](#), which is made of 100% certified organic cotton, happens to be one of their best sellers too.

Their conscientious customers seem to enjoy wearing quality apparel with an inspiring message while also supporting sustainability. It's a triple bonus. The media company says it hopes everyone will wake up and choose LOVE.
