California, United States Aug 25, 2026 ([Issuewire.com](https://www.issuewire.com)) - Tony Deoleo Attends Wife Lorie Deoleo's Awards Night at CBS Studios in Los Angeles, Celebrating Achievement, Filipino Heritage and Philanthropy

Entrepreneur, philanthropist, author, fitness and performance expert, and "The Fighting Entrepreneur™" Tony Deoleo proudly attended his wife Lorie Deoleo's Awards Night at CBS Studios in Los Angeles, standing beside his wife as she was recognized for her accomplishments and contributions.

The evening brought together entrepreneurs, community leaders, philanthropists, and guests to celebrate achievement, leadership, service, and positive impact.

Tony Deoleo attended the special occasion not only as The Fighting Entrepreneur™, but first and foremost as Lorie's husband and biggest supporter.

"Tonight was about celebrating Lorie," said Tony Deoleo. "I am proud of my queen and everything she has accomplished. When the person you love reaches a milestone, you celebrate with them, stand beside them, and remind them that their journey matters."

Tony also made a distinguished appearance wearing the traditional Filipino Barong Tagalog, proudly honoring Filipino culture, heritage, and identity.

For Tony and Lorie Deoleo, the evening represented more than an awards celebration. It reflected their shared commitment to entrepreneurship, philanthropy, empowerment, community, and creating opportunities that can positively impact future generations.

Celebrating Filipino Heritage

Tony's choice to wear the Barong Tagalog added a meaningful cultural element to the evening. The traditional Filipino garment allowed him to proudly represent Filipino heritage while attending an important milestone in his wife's journey.

"Proud of the culture. Proud of the heritage. Proud to represent," Tony said.

From their entrepreneurial ventures to their philanthropic vision, Tony and Lorie continue to build their journey around the belief that success becomes more meaningful when it can be used to inspire, empower, and help others.
