“Our heroes shouldn’t slow down because of a toothache,” said Dr. Navdeep Virk of Avenue Dental Care North Spokane. “Firefighters and first responders dedicate themselves to protecting others. We

want them to know that our community appreciates them, and we are here to take care of their emergency dental needs when they need support.”

The initiative is focused specifically on emergency dental appointments, helping firefighters and first responders address urgent dental concerns without worrying about the cost of care. Avenue Dental Care North Spokane will provide this support five days a week to help ensure that unexpected dental emergencies do not interfere with the important work these community heroes perform.

For firefighters working long hours, responding to emergencies, and putting the safety of others first, access to timely healthcare can make a meaningful difference. Dr. Navdeep Virk and the team at Avenue Dental Care North Spokane believe that supporting first responders is an important part of serving the Spokane community.

“Those who respond in times of crisis deserve care and compassion in return,” added Dr. Virk. “This is a small way for our dental team to express our gratitude.”
