

\$60 Billion Bombshell: Gumby's Pizza Vs. Fox - The Lawsuit That's Shaking the Industry!

Cheese, Lies, And A \$60 Billion Nightmare! Gumby's Declares All-Out War on Fox in Bombshell Federal Lawsuit

New York City, New York Sep 11, 2026 (IssueWire.com) - It's WAR. Cult-favorite pizza chain Gumby's Pizza has launched a jaw-dropping federal lawsuit against media titan Fox Corporation and Fox Entertainment -accusing the entertainment giant of cold-blooded betrayal, broken promises, and OBLITERATING a decades-old licensing deal in a scandal that could cost Fox a staggering \$60 BILLION. And Gumby's isn't holding back.

The blockbuster complaint alleges Fox turned its back on ironclad contractual commitments -leaving the beloved pizza chain holding the bag while the media giant tried to walk away scot-free. Insiders say Fox is about to pay the price, and pay big.

"This isn't about a slice of the pie, this is about the WHOLE pie," a fired-up Gumby's Pizza spokesperson declared. "We entered this agreement in good faith. Fox didn't hold up their end. The damage speaks for itself."

A LEGAL BOMBHELL YEARS IN THE MAKING

Filed in federal court, the sweeping breach-of-contract claim is already being called one of the BIGGEST licensing disputes in recent memory. Legal insiders whisper the fallout could reach far beyond pizza and entertainment igniting fresh scrutiny over how media powerhouses treat their smaller, long-term partners.

Fox Corporation? Radio silence. Executives are refusing to answer the explosive allegations. But Gumby's isn't backing down. Company leadership is vowing an ALL-OUT legal war, with a spokesperson delivering a fiery warning to the media giant: "Big or small, a deal is a deal. We're not backing down."

STAY TUNED as this billion-dollar battle unfolds and Fox's silence speaks volumes.
