

Automoves Sponsors the 2026 ATB Classic in Edmonton

Canadian vehicle logistics provider backs one of Alberta's biggest sporting weeks

Edmonton, Alberta Sep 29, 2026 ([IssueWire.com](https://www.issuewire.com)) - Automoves Sponsors the 2026 ATB Classic in Edmonton

Canadian vehicle logistics provider backs one of Alberta's biggest sporting weeks

Automoves, Canada's leading finished vehicle logistics provider, served as an official sponsor of the 2026 ATB Classic presented by Building Trades of Alberta. The tournament ran from September 14 to 20 at Blackhawk Golf Club in Edmonton. The ATB Classic is among the flagship Canadian stops on PGA TOUR Americas, where emerging professionals play for points toward Korn Ferry Tour membership and a route to the PGA TOUR.

The 2026 edition drew a 144-player field and closed out the full-field portion of the PGA TOUR Americas season. The leading 60 players on the points list moved on to the season-ending championship in the Dominican Republic. Charlie Crockett of Surrey, England, took the title with a closing round of 66, his first victory in a PGA TOUR Americas-sanctioned event. The ATB Classic has been on the tour for two decades, and its alumni include PGA TOUR winners Taylor Pendrith, Corey Connors and Jake Knapp.

Two of Automoves' operations sit in Alberta, in Edmonton and Calgary, which are also the two cities set to alternate as tournament hosts through 2029 under ATB Financial's extended title sponsorship. Blackhawk Golf Club takes 2026 and 2028, with Mickelson National Golf Club in Calgary hosting in 2027 and 2029. Automoves drivers and staff in the province live and work in these communities, and the

ATB Classic is one of the events that brings them together each year.

Alberta is an important market for us, and the ATB Classic is one of the province's biggest sporting weeks. Sponsoring the tournament lets us support the local community and connect with the many Alberta customers who follow the sport.

— **Andrejs Ludzeneks, Managing Director, Automoves**

Alongside the sponsorship, Automoves is running a national giveaway for a TaylorMade Qi10 driver. The contest is open to entrants in every province and territory; entry takes four details, and no purchase or shipping quote is required. The winner will be selected on September 24, 2026.

The 2026 ATB Classic supported Alberta Dreams, a non-profit that grants dreams to children across Alberta living with severe chronic or life-threatening illnesses. Automoves was proud to back a tournament that directs its community impact toward families in the province.

Automoves handles [personal vehicle shipping](#) for relocations, purchases, and seasonal moves, as well as [dealer and auction transport](#) and fleet logistics for businesses across Canada. Every shipment travels on Automoves-owned trucks with Automoves drivers, and no third-party brokers are involved.

About Automoves

Automoves is Canada's leading finished vehicle logistics and car shipping provider, headquartered in Toronto, Ontario, with seven owned and operated terminals nationwide, including operations in Edmonton and Calgary. The company runs entirely on its own drivers, trucks, and facilities, and provides end-to-end vehicle transport for automotive manufacturers, franchise dealerships, fleet operators, auction buyers, international export clients, and retail customers. Automoves ships hundreds of vehicles per week with a 97.5 percent on-time delivery rate. For more information, visit www.automoves.com.
