Worland, Wyoming Sep 17, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Cut & Trim Lakeshore, a family-owned landscaping and groundskeeping specialist, has announced the expansion of its residential grounds care services, solidifying its position as a top Lawn Care Company Grand Rapids MI. Designed to help homeowners keep their properties healthy and vibrant through every season, the company provides comprehensive property maintenance packages with flexible, no-contract options.

Achieving a lush, green lawn in West Michigan requires consistent care and specialized seasonal treatments. Cut & Trim Lakeshore delivers reliable [Yard Maintenance Grand Rapids MI](#) solutions tailored to the regional climate, ensuring turf receives the exact nutrients, trimming, and seasonal cleanup needed to thrive year-round.

Professional Yard Maintenance Services

Cut & Trim Lakeshore offers a complete suite of services aimed at improving curb appeal and promoting long-term lawn health. Their core capabilities include:

- **Precision Mowing & Edging:** Scheduled weekly or bi-weekly grass cutting with crisp perimeter edging and thorough cleanup of clippings along driveways and walkways.

- **Property Clean-Ups & Seasonal Care:** Comprehensive spring and fall bed clearing, leaf removal, and dethatching to prevent fungal growth and promote root airflow.
- **Fertilization & Weed Control:** Customized nutrient applications designed to combat urban soil nutrient loss and control invasive broadleaf weeds.
- **Core Aeration & Overseeding:** Mechanical turf aeration to relieve soil compaction, paired with high-quality overseeding for denser, greener turf growth.
- **Tree & Shrub Trimming:** Expert pruning and hedge trimming to enhance plant structure, encourage new growth, and maintain manicured property boundaries.

By offering hassle-free scheduling without long-term contracts, Cut & Trim Lakeshore provides West Michigan residents with a convenient way to maintain a pristine yard. Their experienced technicians utilize commercial-grade equipment to ensure clean cuts, precise edging, and efficient service delivery across Grand Rapids, Holland, and Grand Haven.
