

Bethany Byrd, DO, MS, Brings Compassionate Expertise to Emergency Medicine in Houston

Board-Certified Emergency Physician Combines Clinical Excellence, Research, and Mentorship to Serve Patients and Strengthen the Next Generation of Healthcare Professionals

Cypress, Texas Sep 4, 2026 ([Issuewire.com](https://www.Issuewire.com)) - Bethany Byrd, DO, MS, is a Board-Certified Emergency Physician with more than 14 years of experience delivering expert, patient-centered care to

adults and children throughout the Houston metropolitan area. Recognized for her calm demeanor, compassion, and ability to remain composed under pressure, Dr. Byrd approaches emergency medicine with a commitment to providing high-quality care during some of the most vulnerable moments in patients' lives.

For Dr. Byrd, caring for patients in an emergency setting is both a responsibility and a privilege. She combines evidence-based medicine with empathy, clear communication, and careful clinical decision-making to address the complex needs of those who seek emergency care. Her approach has helped foster trust among patients and families while earning the respect of colleagues across the healthcare community.

Dr. Byrd's career is supported by a strong foundation in science and clinical education. She earned a Bachelor of Science Degree in Biochemistry from Rutgers University before completing her Doctor of Osteopathic Medicine Degree at Lake Erie College of Osteopathic Medicine in Bradenton, Florida. She subsequently completed residency and fellowship training in emergency medicine at NewYork-Presbyterian Brooklyn Methodist Hospital.

Committed to advancing evidence-based practice, Dr. Byrd further expanded her academic expertise by earning a Master of Science Degree in Clinical Epidemiology and Medical Science Research from Cornell University. Her interdisciplinary education has strengthened her ability to integrate clinical knowledge, research, and critical analysis into emergency medicine while supporting improvements in medical education and patient outcomes.

Board-Certified in Emergency Medicine, Dr. Byrd is an active member of the American Osteopathic Association and supports EMRAP, a respected emergency medicine educational podcast dedicated to helping clinicians remain informed about developments and best practices in the specialty. She has also contributed to peer-reviewed medical literature and remains engaged in research and medical education initiatives.

Beyond her clinical responsibilities, Dr. Byrd is passionate about mentorship and community service. She regularly volunteers to speak with local high school students interested in pursuing careers in healthcare, offering encouragement and insight as they explore the medical profession.

Dr. Byrd credits her success to her faith, strong work ethic, and lifelong belief that medicine is her calling. Through clinical excellence, education, research, and service, she continues to make a meaningful difference in emergency medicine and in the lives of the patients and future healthcare professionals she serves.
