

Christian Krauter Sets a Mood for High-Drama Action With New Track 'pulse alive good vibes'

Revered Queensland DJ Christian Krauter has released a new electronic track, 'pulse alive good vibes', that delivers unbridled energy and pure enjoyment.

Brisbane, Sep 22, 2026 (Issuewire.com) - Versatile Australian DJ **Christian Krauter** is best known for high-octane compositions that channel enticing energy for listeners. Offering a brand-new example of his powerful creations, the music producer has come up with a track called '**pulse alive good vibes**', which is currently buzzing among the fans. Masterfully crafted with a dynamic electronic soundscape, the song can sound like the background score of a high-octane action cinematic. With its depth and a creative soundscape, the song offers a captivating sonic journey.

The song '[pulse alive good vibes](#)' offers a creative amalgamation of Euro House and electronic grooves along with a fair amount of pop elements, which makes it quirky and enjoyable. The clever use of raspy female vocals helped to add more emotion to the track and made it sound richer with multiple creative layers. The song comes with a clock time of around 6 minutes yet offers an energetic impact that stays for long. This song is another milestone in the musical arsenal of the talented [Queensland DJ](#). Krauter is already working on his next project, to be released soon.

This is not the first time, but **Christian Krauter** has been releasing creative and experimental electronic music for a long time, and his previous releases are some of the greatest examples of that. Some of the other tracks, like 'I love me now', 'the yodel experiment', 'stay close', etc have already extended his musical journey, and now he is expanding it with more creative releases in the coming days. Follow this talented DJ on **SoundCloud**, [Apple Music](#), and his [official website](#) to listen

to his music. Krauter is also available on [Facebook](#) and [Instagram](#).
