

Christian Krauter's Electronic House Composition 'I love me now' Is a Reminder of Self-love

Electronic music lovers who are looking for something unique and creative can tune into Christian Krauter's latest creation, 'I love me now', one of the best by the Queensland DJ.

Brisbane, Sep 10, 2026 ([issuewire.com](http://www.issuewire.com)) - Australian DJ and electronic music composer **Christian Krauter** has come up with a brand new track called '**I love me now**' that can bring everyone to the dance floor. This energetic creation is around seven minutes and offers a lasting impact with its electronic soundscape. There is a jazzy texture in this composition, which makes it even more enjoyable and groovier. The DJ has successfully blended a lyrical approach in the song that is subtle and perfectly matches the creative soundscape. This unique dance and EDM composition is currently buzzing among the fans.

The latest song '[I love me now](#)' can be considered a reminder of self-love, just like its title suggests. Music and dancing are perhaps the best way to embrace self-love, and Krauter is capable of creating songs that provide that space for the listeners. Being a revered **Queensland DJ**, Krauter has plenty of experience in composing and playing electronic music that can resonate with the listeners. With his ability to channel emotions and experiences through electronic music, the artist has offered a new creative path of EDM that is experimental, bold, and greatly engaging.

Krauter has previously dropped many amazing tracks that showcase his versatility in electronic music as well as his dedication to his craft. Imitating his life and experiences through his music, the DJ is all set to release more tracks in the coming days. Some of his successful creative releases include 'stay close', 'reset the rules', 'the yodel experiment', 'shadows of neon', and the list goes on.

Follow **Christian Krauter** on **SoundCloud**, [YouTube](#) and his [official website](#) to explore his creations. Fans can also find him on [Facebook](#) and [Instagram](#) for more updates.
