Melbourne, Victoria Sep 8, 2026 ([Issuewire.com](https://www.issuewire.com)) - Clean to Shine, a premier provider of residential and commercial cleaning services across Melbourne, Sydney, and Canberra, is proud to announce the enhancement of its flagship End of Lease Cleaning services. Designed to meet the stringent standards of Victorian real estate agents and property managers, the upgraded service combines eco-friendly cleaning practices with a seamless, guaranteed booking experience.

In Melbourne's fiercely competitive rental market, securing a full bond refund can often be a stressful hurdle for tenants. Clean to Shine addresses this challenge by aligning its comprehensive cleaning checklists with Residential Tenancies Bond Authority (RTBA) standards. Every package features transparent, fixed pricing starting from \$270, with heavy-duty oven cleaning included as a standard feature to eliminate stubborn carbon and grease build-up.

"Our goal has always been to remove the stress from moving day," said the spokesperson for Clean to Shine. "By combining advanced equipment, non-toxic and non-caustic cleaning agents, and our rock-solid 7-day re-clean guarantee, we ensure both tenants and property managers experience a completely smooth handover."

Key Features of Clean to Shine's End of Lease Cleaning Include:

- **100% Bond Back Guarantee:** In the unlikely event that a property manager notes a cleaning

oversight, the team returns within 7 days to re-clean free of charge.

- **Eco-Friendly & Safe Formulations:** Imported, non-toxic cleaning chemicals that protect household surfaces and family health without harsh chemical fumes.
- **REIV-Aligned Checklists:** Thorough cleaning covering every corner, from kitchen appliances and bathrooms to window tracks and wall spot-cleaning.
- **Flexible 7-Day Availability:** Servicing all Melbourne suburbs with reliable, police-checked, and fully insured professional cleaning teams.

Rentals and homeowners looking to book a hassle-free move can take advantage of instant online quotes and a 12% discount when booking directly through the official website.
