

Dex System Publishing Expands the Sovereign Sync Saga in New Post-Cyberpunk Release Grouping

Series Explores Digital Immortality, Network Synchronization, and the Pursuit of Everlasting Life

New Rochelle, New York Sep 2, 2026 ([Issuewire.com](https://www.Issuewire.com)) - Dex System Publishing today announced a new release grouping dedicated to the Sovereign Sync saga by Rane Corvus. This post-cyberpunk series pairs two standing anchor titles with three entries in the saga, following characters chasing digital immortality through networked consciousness and the increasingly blurred line between human life and synthetic permanence.

Featured Titles in This Release

- ***E+Drive: The Good Ghost (A Tale of Choice)*** by *Ronald Bartholomew* A cornerstone narrative exploring agency, decision-making, and the ethical boundaries of ghost-in-the-machine systems.

[Amazon](#)

- ***Portals*** by *Chester Craig* A speculative voyage through threshold dimensions, digital conduits, and connected realms.

[Amazon](#)

- ***Sovereign Sync*** by *Rane Corvus*

The saga's origin point, introducing a network built to synchronize human consciousness beyond the limits of the body.

[Amazon](#)

- ***Sovereign Sync II: The Author Protocol*** by *Rane Corvus*

The saga continues as the network's architects confront the consequences of the protocol they built.

[Amazon](#)

- ***The Node Seven Sync*** by *Rane Corvus*

A pivotal entry in the saga, centered on a rogue network node and the fight to control its expanding influence.

Chasing Digital Immortality

This release highlights the Sovereign Sync saga's central question: what does it mean to live forever inside a network built by fallible hands? Rane Corvus's series continues to expand its world with each installment, offering readers a serialized post-cyberpunk epic about synchronization, sacrifice, and the price of everlasting life.

Media Availability & Review Copies

Digital review copies, author interview scheduling, and media kit assets are available upon request for media outlets, reviewers, and industry analysts.
