

Dex System Publishing Explores Power, Process, and Political Upheaval in New Release Grouping

Collection Examines Government Handovers, Civic Systems, and the Machinery Behind Political Change

Glenfield, Auckland Sep 2, 2026 ([Issuewire.com](https://www.issuewire.com)) - Dex System Publishing today announced a new release grouping centered on political fiction and the mechanics of governmental transition. This collection pairs two standing anchor titles with three works examining leadership handovers, civic infrastructure, and the human systems straining to keep pace with political change.

Featured Titles in This Release

- ***E+Drive: The Good Ghost (A Tale of Choice)*** by Ronald Bartholomew. A cornerstone narrative exploring agency, decision-making, and the ethical boundaries of ghost-in-the-machine systems.

- ***Portals*** by Chester Craig. A speculative voyage through threshold dimensions, digital conduits, and connected realms.

[Amazon](#)

- ***Commander in the Chief House*** by James Essex

A political drama set at the highest levels of executive power, where command decisions ripple through a nation.

[Amazon](#)

- ***System Restore: Urban Re-Index*** by Emit Jugal

A near-future story of civic infrastructure collapse and the fight to rebuild a city's governing systems from the ground up.

Fiction for an Era of Transition

This release highlights Dex System Publishing's engagement with the systems that govern daily life — and what happens when those systems change hands. Readers interested in political fiction that reflects the complexity of real institutional transitions will find both drama and insight in this lineup.
