

Discover YOU RADIO LLC Adds Hip-Hop Artist Jay Double to Broadcast Rotation

Independent single "Entity" enters active airplay rotation

Fort Collins, Colorado Sep 29, 2026 ([Issuewire.com](https://www.issuewire.com)) - Discover YOU RADIO LLC announced today the addition of independent hip-hop/rap artist Jay Double to its broadcast catalog, effective immediately. The featured track, ****"Entity,"** is a standout single from his August 2026 album, ***By Design***.

Running 1 minute and 53 seconds, "Entity" is a high-energy track composed and written by Jay Double.

Blending sharp lyricism with themes of resilience, transformation, and self-empowerment, the track delivers a focused sonic intensity tailored for modern radio rotation.

Will Stenner, owner of Discover YOU RADIO LLC, connected with Jay Double during a TikTok Live session prior to the onboarding decision.

"After connecting with Jay Double on TikTok Live and reviewing his work, I recognized something genuinely compelling about his artistry," said Stenner. "His music is destined to reach unexpected corners of the music landscape, and we're proud to provide the platform to help get it there."

Jay Double's music is available across major digital streaming platforms, including Audiomack, Anghami, and Gaana.

About Discover YOU RADIO LLC

Discover YOU RADIO LLC is an independent broadcasting and media platform based in Fort Collins, Colorado, dedicated to spotlighting emerging and established musical talent. Every track accepted into the catalog undergoes personal review, receives a unique airplay serial number, and earns digital and physical certificates of airplay.
