

Edmonton Personal Injury Lawyer Michael Hoosein Recognized in The Best Lawyers in Canada 2027

Edmonton, Alberta Sep 8, 2026 ([Issuewire.com](https://www.issuewire.com)) - MNH Injury Lawyers announced today that founder Michael Hoosein has been selected by his peers for inclusion in the 21st edition (2027) of The Best Lawyers in Canada, in the category of Personal Injury Litigation. This is Michael's first time being named to the list.

Best Lawyers does not accept applications and does not charge a fee for consideration. Each year, lawyers who already hold the recognition are asked to confidentially evaluate other lawyers working in the same practice area and region. The list is built entirely from those evaluations.

"Most of the work in this job happens outside a courtroom, on the phone with an adjuster or across a table at a settlement conference," said Michael Hoosein, founder of MNH Injury Lawyers. "Being recognized by the lawyers who've seen that work up close means something different than a client review, and I don't take it lightly."

Michael has practiced personal injury law exclusively since 2005. He founded MNH Injury Lawyers in Edmonton and has represented people hurt in car, truck, motorcycle, bicycle, and pedestrian accidents across Edmonton, Calgary, and Alberta ever since. The firm has recovered compensation for more than 1,000 Albertans and serves clients in English, French, Punjabi, Somalian, Arabic, and Bulgarian.
