

How Stonemart™ is bringing India's natural heritage to Contemporary Architecture?

Stonemart™ is promoting Indian art in the real sense by promoting authentic stone carving by craftsmen who are into stone carving for generations. Company manufactures stone sculptures, modern water fountains, stone furniture and various artifacts.

Jaipur, Rajasthan Sep 30, 2026 (Issuewire.com) - Indian natural heritage fascinates everyone all around the world. The Indian Tourism Industry boasts about the huge number of tourists it attracts from every corner of the world. It's not just the beauty of cultural diversity, flora and fauna but stunning

architecture and heritage that brings alive the ancient glory.

When you talk about the natural heritage of India, you cannot miss the age-old stone carving art of India, beautiful intricate hand carved stone statues, huge temples, Gazebos and so on. It was really the thing of past when this rich art was restricted to a handful of people, museums or art galleries now companies like Stonemart TM have made it happen for everyone to beautify their homes with these magnificent pieces of art. For instance, now you can order beautiful [stone Buddha statues](#) from Stonemart TM and get it delivered doorstep to any part of the world.

Stonemart TM has made it possible which big even today Amazon, Flipkart or other online portals are not planning to do at all. While you may find small statues, decorative on these platforms but a statue with weight 180 kg or 500 kg or a stone furniture with over a ton weight, is something impossible to image anywhere other than Stonemart TM. Yes you can order 9 seater [stone furniture](#), fully handcarved with weight over a ton from this company with delivery to your home.

Yes, Swadesh Rohilla led Stonemart TM has made it possible to order any size of stone masterpieces while sitting at home from any part of the world. Thousands of shipments delivered doorstep, to uncountable pin codes in India and to good number of countries like UAE, UK, USA, Japan, Europe, Singapore and so on.

Founded in the year 2006 by a young entrepreneur Swadesh Rohilla, Stonemart TM is now a popular name when it comes to home décor, garden décor or landscaping décor. The company is holding a [huge clientele](#) from celebrities from Bollywood, Tollywood to n number of individuals living in urban, semi urban and even rural areas. This stone manufacturer is touching hearts by one way or the other. Be it a beautiful stone buddha statue that it carves or a stunning water feature, people enjoy all its manufactured masterpieces that carries a glimpse of ancient art.

The best part with this top stone manufacturing company in India is that all its products are fully hand crafted. There's no use of sophisticated machines and even basic machines like CNC as the company believes in preserving the same age-old stone carving art of India that is popular world-wide. The company has a good number of skilled craftsmen who are into this stone carving art for ages. Their art with traditional, royal touch is fused with the modern trend to bring the very best in terms of décor. For instance the [stone gazebo](#) crafted by hands are now used to enhance the look and feel of luxury hotels, theme resorts and beautiful mansions. They are even used widely in modern landscaping thus bringing together the natural heritage to contemporary architecture.

Stonemart TM is an international brand with delivery option of stone masterpieces to any part of the world. [Stonemart TM International shipment](#) page showcases the company's presence in number of countries like UAE, USA, UK, Japan, Europe, Singapore etc. Thus, the rich heritage of India is reaching globally via this leading stone manufacturing and export company of India.
