Texas City, Texas Sep 15, 2026 ([IssueWire.com](https://www.issuewire.com)) - IssueWire has opened its September Business Spotlight initiative for businesses, entrepreneurs, and organizations seeking feature opportunities in the October 2026 edition of the IssueWire Business Magazine.

The initiative is available from **September 15 through September 21, 2026**, and invites organizations to share business stories, company developments, leadership perspectives, and brand journeys through IssueWire's [Online PR Magazine](#) feature options.

The October edition will include sections such as **Client Stories and Client Talk**, where participating businesses can present company updates, professional milestones, leadership insights, and business narratives in a structured magazine format. Available feature formats include written business stories and curated interview placements.

“As organizations prepare for the final quarter of the year, it becomes important to communicate the work, progress, and direction behind their business,” said a spokesperson for IssueWire. “The September Business Spotlight provides an opportunity for businesses to present relevant stories for the October 2026 magazine edition.”

IssueWire Business Magazine is digitally published each month and features business developments,

industry activity, professional perspectives, and client stories from a range of sectors. The magazine provides businesses with a dedicated format to communicate their work and developments to its digital readership.

During the September Business Spotlight period, IssueWire is extending a **15% saving** on eligible **Online PR Magazine feature packages**. Clients can apply code **MAGSEP26** between September 15 and September 21, 2026.

Businesses interested in the September Business Spotlight can review available Online PR Magazine feature options and submission details at <https://magazine.issuewire.com/>.
