

James Alexander's "Larry & Harry: They Meet" Brings Friendship, Fun, and Unexpected Adventure to Readers

Glenside, Pennsylvania Sep 9, 2026 ([Issuewire.com](https://www.issuewire.com)) - Larry & Harry: They Meet, written by James Alexander, is a warm and playful story about two very different dogs who discover the value of friendship, teamwork, and seeing life from another point of view. The First Edition was released on August 22, 2026, and published on Amazon Kindle, bringing readers a fun and meaningful story set in

the cheerful town of Waggington.

About the book:

The story follows Larry, a careful dog who loves plans, maps, and knowing exactly what comes next, while Harry is curious, adventurous, and happy to follow his nose. Their paths cross while both reach for the same container of spaghetti, turning a simple breakfast into an unexpected adventure. When Duchess, a sleek gray cat, joins the chaos, Larry and Harry must combine their very different ways of thinking to escape. Along the way, they discover that there is more than one right way to solve a problem. Larry learns that not everything needs to go according to plan, while Harry discovers the value of having someone who can help. Filled with humor, lively action, and a heartwarming ending, the story shows how differences can become strengths and how an unexpected meeting can lead to friendship.

About the Author:

James Alexander brings Larry and Harry together in an engaging story that celebrates friendship, cooperation, and different ways of thinking. Through spaghetti, surprises, and an exciting chase, readers watch two unlikely companions learn from each other and discover the joy of sharing an adventure. Larry & Harry: They Meet offers a simple yet meaningful message while keeping readers entertained from beginning to end.
