

Swingin' Merry Sunday Event Coming to Avon-By-The-Sea

Swingin' New Jersey Holiday Musical Show Rings in December!

Monmouth County, New Jersey Sep 14, 2026 (Issuewire.com) - The most wonderful time of the year is approaching, and thoughts of celebrating the jolly season begin!

As the hustle and bustle of fall and winter nears, a special musical event, ***Swingin' Merry Sunday***, prepares to ring in the holidays with entertaining merriment!

This ring-a-ding-ding holiday program, presented by Karen Morris, independent producer/founder of Sand Castle Communications and The Swingin' Music Alliance (formerly The Rat Pack Music Alliance), takes place on Sunday, December 13th at Noon, comfortably cozy indoors with a lovely seaside view, at the Avon Municipal Marina Building, 2 Main Street, Avon-By-The-Sea, New Jersey, 07717.

The *Swingin' Holiday Event*, hosted by Brian Mark, executive producer of *The Sounds of Sinatra with Sid Mark* radio program, features a variety of songs and surprises!

Joining the festivities will be special guest speaker and highly respected music historian, author, and broadcaster, Charles L. "Chuck" Granata, adding his fascinating insights as always.

Continuing the holiday spirit, sensational vocalist Zack Alexander will perform a medley of favorite warm-hearted Christmas tunes.

In addition to the festive theme, an extensive memorabilia display of musical items, a flashback from the Rat Pack era, is being presented by a long-time collector. A treat for all to enjoy.

Upcoming on Sunday, June 6, 2027, is another swingin' project, presented by Karen Morris. A concert Tribute to Jimmy Van Heusen and Henry Mancini, featuring the Swingadelic Big Band with Zack Alexander and hosted by Brian Mark, along with guest speaker Chuck Granata.

Tickets are on sale now for the Swingin' Holiday Event on December 13th. There are only 50 seats available. Email for the ticket link and code. For more information, visit <https://www.swinginmusicalliance.com/holiday-event-12-13/> or contact Karen Morris for more information.
