

Tropical Orthodontics Named 2026's Best Orthodontist in Mississauga by Quality Business Awards

Tropical Orthodontics - Dr. Joel Schacher has been recognized as the 2026 Best Orthodontist in Mississauga, Ontario, by the Quality Business Awards.

Mississauga, Ontario Sep 3, 2026 ([IssueWire.com](https://www.issuewire.com)) - The recognition names Tropical Orthodontics as the winner in the Orthodontist category for Mississauga and reports a **95%+ quality score**, placing the practice among the businesses recognized by the Quality Business Awards as representing the top 1% of Canadian businesses. The award page also identifies multiple review sources as part of its quality recognition process.

The official recognition can be viewed on the [Quality Business Awards 2026 recognition page](#).

More Than 40 Years of Orthodontic Experience

Founded by **Dr. Joel Schacher**, Tropical Orthodontics has served patients in Mississauga and the surrounding community for decades.

Dr. Schacher has more than **40 years of experience in orthodontics**. He graduated in dentistry from the University of Toronto and completed his orthodontic specialty training at the Eastman Dental Center in Rochester, New York.

His extensive experience includes treating a wide range of orthodontic cases, while his approach emphasizes individualized treatment planning based on each patient's needs.

Dr. Schacher is also the founder and president of the **Ontario Damon Study Club**, reflecting his ongoing involvement in orthodontic education and professional development.

A Decade of Recognition From the Community

The 2026 Quality Business Awards recognition adds to Tropical Orthodontics' longstanding record of recognition.

The practice has received the **Consumer Choice Award for Business Excellence for 10 consecutive years**, reflecting a longstanding presence and reputation within the local community.

For Tropical Orthodontics, these recognitions represent more than individual awards. They reflect the importance the practice places on maintaining consistent standards of patient care and building long-term relationships with patients and families in the community.

Modern Orthodontic Treatment Options

Tropical Orthodontics provides orthodontic treatment for children, teens and adults, with treatment options including **Pitts 21 braces, Damon braces and Invisalign**.

The practice's approach is centred on selecting treatment based on the individual patient's orthodontic needs rather than assuming that one treatment option is appropriate for everyone.

Patients can discuss their concerns, treatment goals, and available options with the orthodontic team before deciding on a treatment approach.

Recognition for a Mississauga Orthodontic Practice

The Quality Business Awards recognition specifically identifies Tropical Orthodontics - Dr. Joel Schacher as the winner of **The Best Orthodontist in Mississauga, Ontario** for 2026.

The award page lists the practice at **265 Enfield Place, Unit 100B, Mississauga, Ontario**, and provides a direct connection to the practice's online presence.

The recognition provides another independent point of reference for patients researching orthodontic practices in Mississauga and comparing providers based on experience, reputation, and patient satisfaction.

Statement From Dr. Joel Schacher

Client approval required before publication:

"We are honoured to receive this recognition from the Quality Business Awards. Our patients and their families have trusted us with their orthodontic care for many years, and we are grateful for that trust. We remain committed to providing individualized treatment and maintaining the standards of care our patients expect."

Note: This quotation is proposed editorial copy and should not be presented as a direct quotation from Dr. Schacher until he or the practice has approved it.
