

Welcome to Our Booth at bauma CHINA 2026

Ningbo, Zhejiang Sep 21, 2026 (Issuewire.com) - Bauma CHINA, Asia's leading construction machinery trade fair, will be held in Shanghai. We warmly welcome new and existing customers to visit our booth for technical exchanges and business discussions.

Booth No.: Hall N5-359

Venue: Shanghai New International Expo Centre (SNIEC)

Date: 24-27 November 2026

Parallel events will run from 23-26 November 2026 at Shanghai World Expo Exhibition & Convention Center (SWEECC).

We are a professional manufacturer of hydraulic remote control and power transmission solutions. Our main products:

Main Products

- Hydraulic pilot joysticks
- Electronic joysticks
- Hydraulic foot & control pedals
- Hydraulic brake valves & filling valves

Additional Product Lines

- Cartridge valves
- Manifold block systems
- Hydraulic planetary gearboxes & slewing drives
- Hydraulic & electric winches
- Hydraulic multi-way valves

- Pumps & Motors

We are among China's top 3 manufacturers for the above products, serving major clients such as SANY, XCMG, SUNWARD, ZOOMLION and SHANTUI.

At the booth, you can check our full product range, latest innovations, and technical solutions. Our sales and engineering team will be available for sample review and technical consultation.

Our factory is a 3-hour drive from the exhibition venue. Factory tours can be arranged after the show upon request.
