Hong Kong, Hong Kong S.A.R. Sep 16, 2026 ([Issuewire.com](https://www.issuewire.com)) - Hong Kong-based hospitality and real estate leader Winnie Chiu Wing-kwan is accelerating the global expansion of Dorsett Hospitality International and Far East Consortium International Limited, or FEC. Serving as President and Executive Director of Dorsett, as well as Executive Director of FEC (HKSE: 0035), Ms Chiu is drawing on her significant background in private banking and international property development to strengthen the businesses' presence across key Asian, European, and Australasian markets.

In addition to her leading roles at Dorsett and FEC, Ms Chiu holds the position of Chairman at AGORA Hospitality Group Co., Ltd., which is listed on the primary segment of the Tokyo Stock Exchange (stock code: 9704). This multifaceted management structure allows her to coordinate real estate acquisition, property development, and premier hospitality management across multiple jurisdictions. Under her leadership, these combined portfolios have grown to encompass tens of thousands of hotel rooms globally, setting a strong benchmark for cross-border property and hospitality operations.

Hospitality Investor

Before taking the helm at Dorsett and steering the strategic direction of FEC, Ms Chiu built a strong foundation in finance and real estate. She holds a Bachelor of Science degree from King's College,

University of London, and developed her financial expertise within the Private Banking Division of Credit Suisse. She further developed her property sector expertise during her tenure at Malaysia Land Properties Sdn Bhd. This combination of high-level wealth management and hands-on property development experience has been instrumental in navigating complex global markets, securing high-value assets, and optimizing long-term yields for investors.

The hospitality industry is currently undergoing rapid transformation, requiring forward-thinking leadership to capture new demographics and adapt to evolving travel ecosystems. Ms Chiu's strategic vision includes not only aggressive portfolio expansion but also fostering sustainable community relationships, supporting the arts, and driving youth development within the regions where Dorsett and FEC operate. By combining rigorous corporate governance with localized, forward-looking guest experiences, she continues to position her companies as resilient, agile leaders in a highly competitive global market.
