

AVA Official Partner Network Opens Free Onboarding for Beed Businesses Until Diwali 2026

Four Beed businesses are already listed as official partners of AVA Group's network, which links local brands with AVA Celebrity Management's talent, influencer, event and production services

Beed, Maharashtra Oct 29, 2026 ([Issuewire.com](https://www.issuewire.com)) - AVA Celebrity Management, part of Beed-based AVA Group by Sonwane Tech, has opened its Official Partner Network to more local businesses, with free onboarding available until Diwali 2026. The network brings together brands, showrooms and creative firms from Beed so they can work with the talent and creators on the AVA platform.

Who is in the network today?

Four Beed businesses are currently listed as official partners. They include videography and cinematography studios and an event management firm. Each partner is shown on the AVA Celebrity Management website at <https://ava-celebrity.sites.tab.bot/>, giving local customers and organisers a single place to find creative services in the district.

What partners can work with

Partners gain a direct route to AVA Celebrity Management's six service areas: talent, influencers, events, productions, brand collaborations and music distribution. A local showroom planning a launch, for example, can look for performers or influencers through the platform, while a production studio can connect with artists who need video work. Businesses and organisers can also book talent directly through the website's booking section.

How talent comes onto the platform

Performers apply to AVA through an online audition on the website. Talent profiles are reviewed before they go live, and the site also hosts an AVA Talent Show section. For music creators, the group runs AVA Music, a brand of AVA Group of Companies (<https://ava-music.sites.tab.bot/>), an original Marathi and Hindi label platform where each release passes a quality check before approved songs go to streaming apps through a distribution partner.

About the founder

AVA Group was founded in 2023 in Beed by Siddharth Sonwane, who is Founder and CEO of both AVA Celebrity Management and AVA Music. His profile is available at <https://ava-celebrity.sites.tab.bot/founder>. The group's aim is to give performers, creators, and local brands in Marathwada a professional platform at home, under the tagline "Building Stars. Creating Legacies."

How to join

Beed businesses interested in joining the Official Partner Network can get in touch through the contact page at <https://ava-celebrity.sites.tab.bot/contact>. Onboarding is free for businesses that join before Diwali 2026.
