

AviorSwap Expands Welcome Rewards Program and Launches Multi-Tier VIP System

New users can earn USDT through simple tasks while higher-volume traders receive improved rates, priority support, and additional privileges.

Dubai, United Arab Emirates Oct 26, 2026 ([IssueWire.com](https://www.issuewire.com)) - AviorSwap, a multi-chain cryptocurrency exchange, has expanded its Welcome Tasks program and introduced a tiered VIP membership system. The updates enable new users to earn USDT rewards through basic platform actions and provide higher-volume traders with improved exchange rates, priority support, and additional privileges.

New users receive a welcome balance upon registration and can earn additional USDT by completing platform tasks. Available rewards include 50 USDT for completing registration, 10 USDT for making five qualifying swaps, and further bonuses based on account balance: 50 USDT once the balance exceeds \$500, 100 USDT above \$1,000, 500 USDT above \$5,000, 1,000 USDT above \$10,000, and 1,500 USDT above \$25,000. Completing identity verification (KYC) unlocks an additional 10 USDT. An individual reward is available by contacting support.

The platform has also launched a VIP system based on total asset balance:

- Starter (\$0–\$5,000): basic exchange rate and 24/7 support
- Active (\$5,000–\$15,000): basic exchange rate, priority 24/7 support, and referral program
- Trader (\$15,000–\$25,000): +0.5% improved exchange rate, priority support, and referral program
- Elite VIP (\$100,000+): +7% referral program, +2% improved exchange rate, personal account manager 24/7, 7% increased cashback on swaps, early access to new liquidity pools and

features, exclusive events, and luxury gifts. A physical VIP card is delivered personally to qualifying clients.

Additional VIP services include free access to the GetAgent AI trading bot, exclusive VIP challenges, VIP gifts, the Avior Card with high spending limits accepted in more than 180 countries, Launchpool access with higher staking limits and APYs up to 25%, and a dedicated VIP relationship manager. A 3-day Demo VIP period is available for users to test elevated privileges.

AviorSwap supports swaps across 17+ blockchain networks, including Ethereum, Base, BNB Chain, Arbitrum, and others. The platform operates on a non-custodial model, with trades executed through audited smart contracts and a focus on competitive rates and transparent pricing.

“These updates make it easier for new users to get started and give active traders clear reasons to stay on the platform,” said a spokesperson for AviorSwap. “The combination of welcome tasks and tiered VIP privileges is designed to reward engagement and deliver more value to users.”

Users can register at avioswap.com, complete available tasks, and track their progress toward higher tiers in the dashboard.
