

Can Sports Center Gives Markham Athletes Round-the-Clock Access

Can Sports Center brings basketball, badminton, pickleball, and fitness facilities together under one roof, with 24/7 access supporting different training schedules.

Markham, Ontario Oct 23, 2026 ([IssueWire.com](https://www.issuewire.com)) - Can Sports Center provides athletes and fitness enthusiasts in Markham with access to an indoor sports and fitness facility at 1443 Denison Street. The center brings basketball, badminton, pickleball, and gym facilities together at one location, with 24/7 access for its gym and basketball facilities.

As a [fitness centre in Markham](#), Can Sports Center brings several sports and workout options together in one location. Its facilities include 12 badminton courts, two full basketball courts, four half basketball courts, seven pickleball courts, and a gym with strength and cardio equipment. This range of facilities allows visitors to take part in different activities based on their interests and fitness needs.

The center's round-the-clock access is relevant for people whose work, school, or other daily duties make regular daytime exercise difficult. Its [24/7 basketball court](#) access gives basketball players more flexibility to plan practice and games around their schedules. Badminton and pickleball players can also book dedicated indoor courts at the same location, subject to booking availability.

"People have different schedules, and access to sports facilities should be able to fit around them," said a Can Sports Center spokesperson. *"By bringing basketball, badminton, pickleball, and fitness together, we provide a shared space where people can take part in the activities that suit their interests and routines."*

Basketball players can access court rentals, drop-in sessions, and training programs, while badminton players can choose from court rentals and coaching options. Pickleball court rentals are available through the center's booking system. The center also serves people looking for a 24/7 gym in Markham, with dedicated areas for strength training and cardio workouts.

Can Sports Center's facilities support a range of needs, from individual workouts to court-based practice and group play. Its role as a [badminton court in Markham](#) is part of a wider offering that brings several indoor sports and fitness activities together at one address.
