Costa Mesa, California Oct 26, 2026 ([IssueWire.com](http://www.issuewire.com)) - Eval Docs, Inc. is highlighting the professional background of Dana Mathews, Psy.D., QME, a licensed clinical psychologist whose experience includes neuropsychological and diagnostic testing, workers' compensation evaluations, and community-based mental health care.

Dr. Mathews has conducted workers' compensation and Subsequent Injuries Benefits Trust Fund (SIBTF) evaluations. Her work also includes Qualified Medical Evaluator (QME) evaluations in clinical psychology.

Her background combines evaluation work with direct clinical care. At a Riverside community clinic, she provides psychotherapy and psychodiagnostic testing. She also supervises doctoral-level interns.

This experience brings together several areas of clinical psychology: assessing psychological concerns, providing therapy, and supporting the training of future practitioners.

The provider spotlight is part of Eval Docs' effort to help attorneys and claims adjusters learn more

about the backgrounds and experience of its evaluators. For those seeking a clinical psychology evaluator, the announcement offers an introduction to Dr. Mathews' professional work.

For information about Dr. Mathews' evaluation locations and scheduling, contact Eval Docs at 844-382-5362 or visit <https://www.evaldocs.com/>.
