Floor Easy Expands UK Range with Premium Laminate, LVT Glue Down, and Modern Vinyl Flooring Collections

New flooring options give UK homeowners a choice of styles, finishes and solutions for different spaces

Uxbridge, Middlesex Nov 2, 2026 (Issuewire.com) - Official AnnouncementIntro & Collection Launch

Floor Easy launches its range of laminate, glue-down luxury vinyl tile, and modern vinyl flooring options. It is ideal for UK homeowners who want to refine their interiors. The collections bring together different designs and finishes. There are many flooring formats to suit various rooms. It caters to everyone's budget as FloorEasy aims to help customers compare options and find flooring that fits their home.

Key Collection Highlights

Here are some highlights from the collections launched:

Best Laminate Flooring

Floor Easy **laminate flooring** range offers designs inspired by natural wood. This makes it suitable for both traditional and contemporary rooms. There are many factors like thickness, wear performance, AC rating, and moisture resistance. Customers can order samples to find an option to check in their own home and lighting.

LVT Glue Down Flooring

The **glue-down LVT collection** offers a practical flooring format for residential and selected commercial interiors. Individual planks or tiles are bonded to a subfloor prepared professionally. It gives a stable finish when installed with the recommended adhesive. The range includes design options that replicate wood and stone, giving customers flexibility when planning their interiors.

Modern Vinyl Flooring

Vinyl flooring can suit different interior styles. There are designs inspired by wood, stone and tiles. It offers a softer feel underfoot and can be cleaned easily everyday with basic materials. There are also many formats, levels of water-resistance, and room suitabilities to check before choosing the flooring.

Company StatementSpokesperson Quote

A Floor Easy spokesperson said, “You can’t just find designs and colors that look good while choosing flooring. You need to think about how the floor will perform based on the expected foot traffic and impact sound. We want to make it easy for customers to compare these options and find the tiles they like. They can select products that suit their preferences in the comfort of their homes.

About & ContactFree Samples & Website Link

Explore the available flooring collections on the Floor Easy **website**. Customers can order free samples and compare products in their own lighting before deciding what to buy. Reviewing product details and installation guidance can help make a more informed choice.
