

How this Indian company Stonemart TM changing the perspective of home décor in India and worldwide?

2026 -2027 Home décor concept is entirely different and there are reasons behind it. Companies like Stonemart TM have revolutionized the way décor is looked upon in India and abroad.

Jaipur, Rajasthan Oct 11, 2026 (Issuewire.com) - Adding a beautiful furniture, planning an extraordinary door, putting plants, decorative lights inside and outside, was something popular in 90's to year 2000. Today the concept is entirely changed. Now the shift is towards adding things that have got artistic value. People today prefer their home to be like a small art gallery where they have something to admire, feel good and that spreads positivity. The shift is not something happened overnight rather a company that too from India, Stonemart TM responsible for this change to a great extent.

Scrolling Google for modern décor ideas would bring a lot of masterpieces out of stone crafted by this company. These include not just sculptures rather unique concepts that have got spiritual and Vastu benefits too. For instance, [Buddha statues](#) by Stonemart TM are very popular not just in India rather all around the globe. Irrespective of city, state, country, religion, everyone loves adding a beautiful Buddha statue to their space. Gautam Buddha statues are considered more as a symbol of peace, serenity and tranquility. The different postures or mudras like Abhaya Mudra, Meditating or Dhyana Mudra, Sarnath Buddha, the Nirvana Buddha, the Bhumisparsha Buddha, Charmchakra Buddha, Vitarka Mudra Buddha etc are statues with different meaning and implications. Depending on the posture, they are placed and loved by people completing their home décor.

Similarly, the other concepts like a [Zen Garden](#), Japanese Pagoda lanterns, extraordinary [Modern Abstract Sculptures](#) are few in the list to mention by this company that are loved enormously. A modern home décor prefers adding a nice Tulsi Vrindavan that has got beauty and spiritual importance at the same time. Starting a day by offering water to a Tulsi Plant is something more than just a ritual in India. It's something you look every day, helps you get positive energy and has got great mythological significance. That's why people prefer getting a beautiful, extraordinary handmade Tulsi Vrindavan by Stonemart TM that are designed by the designer team of this company and crafted by the craftsmen who are into stone carving art of India for ages.

Just like the Tulsi Vrindavan, God idols are an integral part of home décor in 2026-27. Earlier when it was believed only small idols should be there in the home temple, now the concept has entirely changed. Placing a life size God Idol is believed to fill the surroundings with positivity and gives you a 'Feel Good' factor. The concept is popular not just in India rather in various parts of the world like USA, UK, Singapore, New Zealand, etc. You can find stone statues by Stonemart TM placed beautifully in various countries in their [client testimonial page](#) that verify the facts.

Stonemart TM is different than rest of the companies for the simple reason it's not just about spiritual décor but offers something that is unique and rare to find. The [Stone bird bath](#) carved by this company shows the beauty of raw stone and adds life to a garden. It is a beautiful concept that draws first attention and is considered very important in modern home décor. These are just few concepts and there are lot many that this Indian stone company founded by Mr Swadesh Rohilla in the year 2006 is doing. His efforts are even noticed by the Indian Government and was invited to Speak on the Development of Stone Industries in India. His contributions are not just in the field of stone industry rather to various other areas related to writing, publishing and IT sector. From a humble start from Germany to a prominent name in the stone industry in India, this man changed the way home décor is looked upon in India and all around the world.
