OUR PORTFOLIO COMPANIES

LAKE MARY, Fla. - October 8, 2026 - Integrass LLC today presented its diversified operating portfolio, bringing together four specialized companies with distinct customers, services, and growth opportunities: Across Borders Management Consulting Group (ABMCG), iSportz, StarTech Consulting, and ClearCadence.

Across Borders Management Consulting Group (ABMCG) provides technology talent solutions and workforce support. iSportz offers digital solutions for sports organizations to manage memberships, programs, events, participants, and engagement.

StarTech Consulting supports enterprise clients through technology consulting and staffing. ClearCadence provides enterprise content management, business process management, digital transformation, and managed services.

Integrass provides shared leadership and support across finance, human resources, recruiting, delivery, marketing, technology, and operations. The portfolio model is designed to preserve specialized expertise while enabling disciplined investment, cross-company collaboration, and long-term growth.

We have built a portfolio in which each company has a clear identity and market purpose. The diversity of the businesses gives us multiple avenues for growth while reducing dependence on any single service line.

Vijay Krishnan,
Founder & Chairman of Integrass.

Our responsibility is to help each company perform at a high level while creating practical opportunities to collaborate. Shared resources can strengthen execution, but each team will remain focused on the clients and markets it knows best.

Arathi Rajagopalan,
President & CEO of Integrass.
