

# Mike Bolger Receives Two Diamond Awards in Waterloo and Cambridge Readers' Choice 2026

Waterloo-based real estate agent recognized in the Best Real Estate Agent category in both communities.

**Waterloo, Ontario Oct 23, 2026** ([Issuewire.com](https://www.issuewire.com)) - Mike Bolger, REALTOR® with Chestnut Park Realty West, has received two Diamond awards in the 2026 Readers' Choice Awards, earning recognition in the Best Real Estate Agent category in both Waterloo and Cambridge.

The awards acknowledge Bolger's work as a real estate professional serving buyers and sellers throughout Waterloo Region.

The confirmed results include:

- **Waterloo Readers' Choice 2026:** Diamond, Best Real Estate Agent
- **Cambridge Readers' Choice 2026:** Diamond, Best Real Estate Agent

Diamond is the highest recognition level displayed in the Readers' Choice award results.

Receiving the same distinction in two neighbouring communities provides an opportunity for Bolger to acknowledge the clients and residents who have supported his real estate business.

## Real Estate Services Across Waterloo Region

Based in Waterloo, Bolger works with buyers and sellers navigating residential real estate transactions throughout the region, including Waterloo, Kitchener, Cambridge, and surrounding communities.

His work involves helping clients understand local housing markets, evaluate properties, prepare homes for sale, and make informed decisions throughout the buying or selling process.

For sellers, the process may include reviewing comparable properties, developing a pricing approach, preparing a listing, coordinating marketing, and evaluating offers.

For buyers, it may involve identifying suitable properties, reviewing market conditions, arranging showings, and working through the offer and closing process.

Each transaction presents different circumstances. Property type, location, timing, financing, and individual client priorities can all influence the decisions involved.

Bolger's approach emphasizes communication, local market knowledge, and practical guidance suited to each client's needs.

## Appreciation for Waterloo and Cambridge Recognition

The Readers' Choice Awards provide an opportunity for community members to recognize local businesses and service professionals across a range of industries.

For Bolger, receiving Diamond recognition in both Waterloo and Cambridge is particularly meaningful because the communities are part of the same regional housing market while maintaining distinct neighbourhoods and local conditions.

"I am grateful to everyone in Waterloo and Cambridge who took the time to support me in this year's Readers' Choice Awards. Helping people buy and sell homes is a responsibility I take seriously, and I appreciate the trust my clients place in me. Being recognized in both communities means a great deal," said Bolger.

The two Diamond awards follow additional recognition for Bolger in 2026.

Earlier in the year, he received Platinum recognition in the Real Estate Agents category of CommunityVotes Cambridge and CommunityVotes Kitchener-Waterloo.

The Readers' Choice and CommunityVotes awards are separate community recognition programs, each providing residents with an opportunity to acknowledge local businesses and professionals.

## Continued Focus on Local Buyers and Sellers

Waterloo Region includes a variety of residential communities, from established neighbourhoods to newer developments and surrounding towns.

Buyers and sellers often need to consider factors beyond a property's asking price, including neighbourhood characteristics, housing condition, market activity, and the practical requirements of moving.

Bolger continues to work with clients at different stages of homeownership, including first-time buyers, existing homeowners planning a move, and sellers preparing properties for the market.

The 2026 Diamond awards offer an opportunity to thank the communities he serves while continuing his work in residential real estate.
