

OSG to Showcase Complete Screw Air Compressor System Solutions at PTC ASIA 2026

Shanghai, China Oct 12, 2026 ([IssueWire.com](https://www.issuewire.com)) - Date: November 3-6, 2026 Venue: Shanghai New International Expo Centre Booth: N5-C4

PTC ASIA is Asia's premier exhibition for power transmission and fluid power technology, bringing together manufacturers, buyers and technical experts from around the world.

Shanghai Honest Compressor Co., Ltd. (Brand: OSG) will participate in PTC ASIA 2026. We sincerely welcome global customers, partners and industry friends to visit our booth for face-to-face discussions, technical communication and business negotiation.

Our Exhibit Focus

OSG specializes in R&D and manufacturing of energy-efficient **screw air compressors**, including permanent-magnet variable-speed models and two-stage compression units. We deliver one-stop complete compressed-air system packages, covering air receivers, dryers, filters and other post-treatment equipment. Supporting fluid equipment such as industrial centrifugal pumps are also available as auxiliary accessories for full-project supply.

Our air compressor systems are widely exported to Latin America, Southeast Asia and other overseas regions. Custom-built units complying with American electrical standards (230/460V-60Hz) can be provided to satisfy international project requirements.

Visit Us at Booth N5-C4

Our professional sales and technical team will be on-site throughout the exhibition. We are ready to review your project requirements, discuss technical parameters and offer tailored quotations.

Whether you need standard energy-saving air compressors, complete compressed-air station packages or customized overseas-oriented units, please come and meet us at Booth N5-C4.
