STARTECH CONSULTING *Joins* INTEGRASS

EXPANDS ENTERPRISE SOLUTION DELIVERY

Combination pairs StarTech's experienced consultant network with Integrass enterprise software support, integration and optimization

FOR IMMEDIATE RELEASE

LAKE MARY, Fla. - October 05, 2026 - StarTech Consulting Inc. has joined Integrass LLC, creating a broader platform for technology consulting, workforce delivery, and enterprise account support.

StarTech Consulting has developed an experienced consultant network and a client-focused model for supporting technology programs. The business will continue operating with an emphasis on dependable delivery, responsive account service, and access to qualified professionals.

"StarTech brings strong relationships and practical experience in matching enterprise needs with technology talent," said Arathi Rajagopalan, President and CEO of Integrass. "Together, we can strengthen recruiting capacity and give clients access to a wider range of skills and delivery support."

StarTech Consulting will be supported by Integrass resources across recruiting, delivery, finance, technology, and operations. The combination is intended to improve account coverage, expand access to talent, and support new consulting opportunities.

Clients and consultants will continue working with their current contacts unless notified otherwise. Integration activities will be phased to protect ongoing assignments and service commitments.

ABOUT INTEGRASS

Integrass is a diversified business and technology organization providing talent solutions, technology consulting, managed services, and digital platforms. Through its portfolio companies, Integrass supports organizations seeking experienced teams, practical technology solutions, and reliable execution.
