

# The US Afrobeats Artist MIA Royale

She describes herself as the “Queen Of Afrobeats in LA”

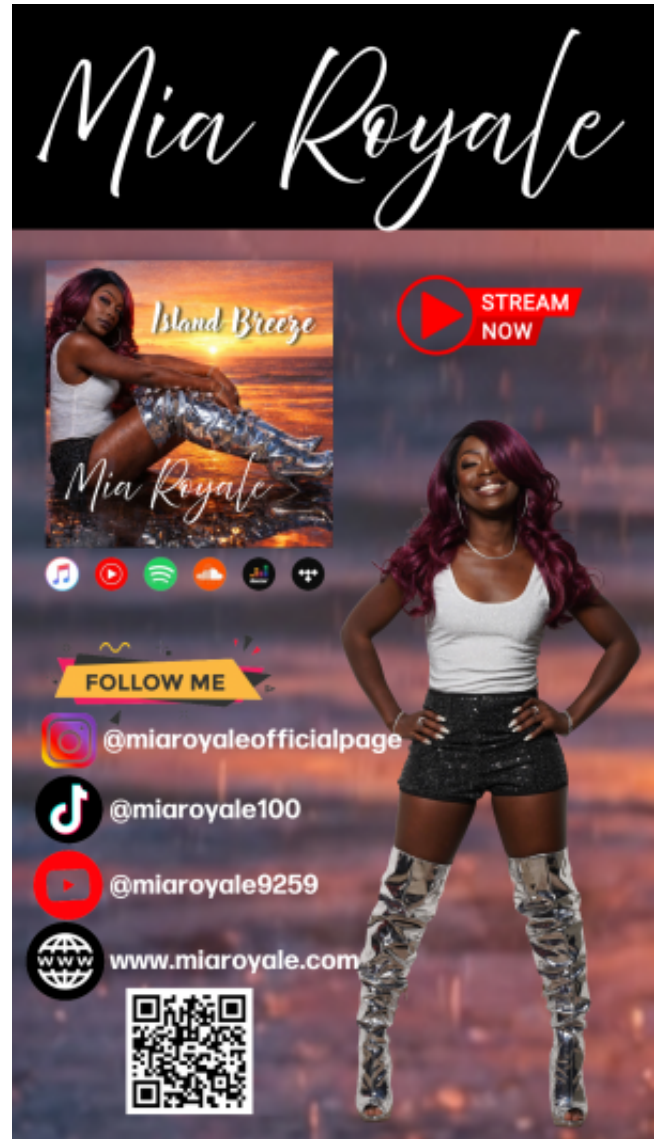

**Los Angeles, California Oct 8, 2026 ([IssueWire.com](http://www.IssueWire.com))** - MIA ROYALE the Afrobeats artist, has stepped into an exciting new chapter for 2026 with the release of her album *Island Breeze*, which blends her roots as a child actress with her evolution into a vibrant singer and songwriter. Known for her creative spirit and love for self-expression, Mia has crossed over from the R&B/ Hip-Hop genre into Afrobeats. This genre change has led to her success in the US. The Afrobeats fans have excepted her with open arms. Mia says, "she now feels connected to her music. HipHop is a great genre, it's just my connection to Afrobeats goes beyond sound it's a personal journey rooted in my culture, dance, and tradition and inspired by the music she grew up listening to.

Mia is now redefining what power looks like for women in music today. Her sound is driven by authentic music, real life experiences, and a desire to inspire listeners. She remains intentional about her authenticity, original produced music, to her image and the truthfulness of her lyrics.

As Afrobeats continues to dominate the global stage, MIA ROYALE is proud to be part of its expansion while staying true to its cultural roots. With a clear vision and unstoppable determination, she aims to leave her mark as one of the leading voices in Afrobeats, bringing an global influence to every space she enters.

With her schedule being consistently busy, Mia plans on finishing out 2026 with her shows and touring obligations and working on her new project set to be released in Spring of 2027. Mia says, "I want to be known for my great songs and being the American Queen of Afrobeats in Los Angeles."
