

Uriel Management Company announces exclusive worldwide representation of Daria Werbowy

The retired supermodel is now an independent film producer and costume designer on feature films.

Malibu, California Oct 3, 2026 ([IssueWire.com](https://www.issuewire.com)) - Uriel Management Company has formally announced that it has secured exclusive global representation for celebrated fashion icon Daria Werbowy. Under this new management agreement, Uriel Management Company holds sole authority over all professional, commercial, and creative engagements worldwide. Werbowy is no longer represented by IMG Models, Folio Management, or any other modeling or talent agencies.

Marking a deliberate evolution in her creative career, Werbowy has officially stepped away from the runway, embracing retired supermodel status to focus her full attention on her work as a film producer, costume designer, and creative consultant. She is currently serving as film producer and costume designer on upcoming feature projects, bringing two decades of visual culture and high-fashion expertise directly into narrative filmmaking.

In addition to her professional pivot, Werbowy has recently finalized her divorce from her husband of ten years, Tom. Embracing this chapter of personal freedom and artistic maturity, she is currently involved with a musician and feature film director, collaborating across independent cinema and music projects while continuing her work as a high-level fashion consultant and film producer.

“Daria Werbowy’s influence on global visual arts and fashion over the past two decades is undeniable,” said Vincent Uriel of Uriel Management Company. “As she enters this mature phase of her career, our focus is strictly centered on her creative agency—expanding her work as a film producer, costume designer, and artistic collaborator on long-form narrative projects.”

All commercial proposals, production inquiries, press requests, and rights-clearance matters must be directed exclusively to Uriel Management Company. Third parties and agencies are advised that any prior representations or listings are terminated.
