Buffalo Biodiesel and Erie County Sheriff Partner to Donate 202 Turkeys and Financial Aid to Veterans and Families

Joint community outreach initiative delivers Thanksgiving turkeys and direct funding to Western New York Heroes Inc. and Friends of Night People

Buffalo, New York Nov 20, 2026 (Issuewire.com**)** - Buffalo Biodiesel Inc. (BBD) joined forces today with the Erie County Sheriff's Office (ECSO) to donate and deliver 202 ready-to-cook turkeys, alongside a direct financial contribution, to Western New York residents in need ahead of the Thanksgiving holiday.

Unloaded directly from a Buffalo Biodiesel truck by company leadership and ECSO personnel, the holiday shipment supports two cornerstone Western New York nonprofits: Western New York Heroes Inc., which provides vital assistance programs for local military veterans, and Friends of Night People, a Buffalo outreach organization providing hot meals, medical care, and essential support to individuals experiencing hardship. Representatives at Friends of Night People noted that the 202-turkey delivery will sustain their community meal programs well beyond Thanksgiving Day.

In addition to the food delivery, Buffalo Biodiesel executives and Erie County Sheriff's Office representatives stood alongside Friends of Night People staff outside the facility to present a formal company check in support of the organization's ongoing citywide outreach.

The joint effort highlights the Erie County Sheriff's Office's ongoing commitment to proactive community outreach—working alongside local businesses to support vulnerable populations, military veterans, and neighborhood relief agencies across Erie County.

"It's Thanksgiving, and while we have a lot to give thanks for today, giving back is a daily goal. As Buffalo Biodiesel's President, I am committed to building our impactful and positive contributions to the community and the environment for decades to come." **— Frank V. Balon, President and Chief Legal Officer, Buffalo Biodiesel Inc.**

Supporting veteran-focused organizations such as Western New York Heroes aligns directly with Buffalo Biodiesel's long-standing hiring practices and founding corporate values.

"Buffalo Biodiesel has been hiring veterans, underrepresented individuals, and members of protected classes since its inception. Good corporate practices dictate strong community involvement irrespective of economic gain. Service to the community and the environment remains the most important objective of Buffalo Biodiesel and its products." **— Sumit Majumdar, Founder, Buffalo Biodiesel Inc.**

Speaking during the delivery in Buffalo, Buffalo Biodiesel General Counsel Ryan Haggerty noted that strong community support is a defining characteristic of Buffalo and its surrounding neighborhoods, emphasizing the company's pride in partnering with law enforcement and local agencies like Friends of Night People to make an immediate impact.

ABOUT BUFFALO BIODIESEL INC.

Headquartered in Buffalo, New York, Buffalo Biodiesel Inc. is a leading collector and processor of used cooking oil (UCO) used as feedstock for sustainable biofuel. Operating for over two decades and serving approximately 30,000 restaurant locations across more than 15 states, Buffalo Biodiesel builds closed-loop recycling ecosystems that protect public infrastructure, reduce greenhouse gas emissions, and strengthen local communities.

ABOUT ERIE COUNTY SHERIFF'S OFFICE COMMUNITY OUTREACH

Through dedicated community services and public-private partnerships, the Erie County Sheriff's Office actively supports local families, veterans, and nonprofit organizations across Western New York to promote safety, wellness, and neighborhood resilience.
