CLATapult Celebrates 15 Years of Shaping CLAT Toppers, With a Decade of Rank 1 Holders in West Bengal

Founded by three NUJS students in 2011, the CLAT coaching institute credits its success to one rule: only top CLAT performers teach.

kolkata, West bengal Nov 12, 2026 (Issuewire.com) - CLATapult, the Kolkata-based CLAT coaching institute, marks 15 years of helping law aspirants win seats at India's leading National Law Universities. Since 2015, the institute has consistently produced rank 1 holders in West Bengal, a record that has made it one of the most trusted names in law entrance preparation in Eastern India.

A Vision Born at NUJS

CLATapult was conceptualized in 2011 by three students of the West Bengal National University of Juridical Sciences (NUJS), Kolkata. Having cleared the Common Law Admission Test themselves, they saw a gap in how aspirants were being prepared: much of the coaching on offer was led by people who had never sat the exam. Their answer was an institute built on first-hand experience of the test.

Taught by Those Who Have Been There and Done That

The institute's growth rests on a single principle. Every member of the CLATapult faculty has prepared for CLAT and secured an all-India rank within the top 200. Students learn from mentors who understand the paper's pressure, patterns and pitfalls, not just its syllabus.

A Decade of Rank 1 Holders

From 2015 onward, CLATapult students have consistently topped the West Bengal rankings, with many going on to study at the country's top NLUs. The institute attributes this consistency to close mentoring, regular mock tests modelled on the latest CLAT pattern, and personalised feedback from faculty who were aspirants not long ago.

Preparation for Every Stage

Today, CLATapult runs classroom programmes at its centres in Kolkata, live online classes for students across India, and test series and correspondence options for self-paced learners. Aspirants can explore the full range of CLAT coaching courses, including multi-year programmes for students who begin preparing early in school.
