Dominant Drycleaners Announces 25% Off on Blanket Drycleaning Across Ghaziabad

Give your winter blankets a deep, fresh clean with professional drycleaning. Gentle on fabric, tough on dust, odors and allergens, and now 25% off for a limited time at Dominant Drycleaners.

Ghaziabad, Uttar Pradesh Nov 18, 2026 (Issuewire.com) - As the winter chill settles over

Ghaziabad, Dominant Drycleaners has announced a special 25% discount on professional blanket drycleaning. The offer is open to households in Indirapuram, Vaishali, Vasundhara, Kaushambi, Raj Nagar Extension, Crossings Republik and neighbouring areas.

Every winter, families across Ghaziabad bring out the same heavy blankets, quilts and comforters that sat in storage for months. Many of them smell musty, carry dust and allergens, or have stains from last season. Washing them at home is rarely practical. They are bulky, they take days to dry, and rough handling can damage the fabric and filling. Dominant Drycleaners wants to take that chore off people's hands, and make it cheaper this season.

A Simple Offer for Ghaziabad Homes

The 25% discount applies to blanket drycleaning, including single and double blankets, heavy winter blankets, woollen blankets and comforters. Customers can book a pickup from their doorstep, and the cleaned blankets are returned fresh, soft and neatly packed.

"Blankets are the most-used item in a home during winter, yet they are the last thing people think of cleaning," said Akash Prasad, Owner of Dominant Drycleaners. "We see it every year. A blanket that looks fine can still hold months of dust, sweat and odour. With this offer, we want every family in Ghaziabad to be able to sleep under a truly clean blanket without it hurting their budget."

Why Drycleaning Matters for Blankets

Blankets are not like everyday clothes. Thick fabrics hold moisture, dust mites and allergens deep inside the fibres. Washing at home often leaves the inner layers damp, which can cause a lingering smell or even mould. Drycleaning uses specialised solvents and controlled machines that clean deeply without soaking the fabric or distorting its shape.

The benefits include:

- **Deep cleaning:** Removes dust, odour and allergens that regular washing misses.
- **Fabric care:** Keeps woollen and delicate blankets soft, fluffy and in shape.
- **Stain removal:** Treats marks and spots with the right method for each fabric.
- **Time saving:** No drying on balconies for days, especially in foggy weather.
- **Longer life:** Proper cleaning helps expensive blankets last for many more winters.

For families with children, senior citizens or anyone with dust allergies or asthma, clean bedding makes a real difference to comfort and health through the cold months.

Serving Neighbourhoods Across Ghaziabad

Ghaziabad is a city of busy households. In societies in Indirapuram and Vaishali, working couples often find it hard to make time for such chores. In Vasundhara and Kaushambi, large joint families have piles of bedding to manage. In Raj Nagar Extension and Crossings Republik, high-rise apartments have little space to wash and dry heavy items. Dominant Drycleaners designed its pickup and delivery service around these everyday realities.

Customers in Siddharth Vihar, Shipra Suncity, Nehru Nagar, Kavi Nagar, Sahibabad, Lohia Nagar, Shalimar Garden, Mohan Nagar, Vijay Nagar and Govindpuram can also take advantage of the offer. Residents of older, established colonies such as Rajendra Nagar, Patel Nagar, Model Town and Pratap

Vihar are equally welcome, as are those living along the NH-24 corridor and around Wave City.

“Ghaziabad is growing fast, and our customers range from young professionals in new apartments to families who have lived in the same colony for decades,” the spokesperson added. “Whether you live in a society in Indirapuram or a house in Kavi Nagar, you should get the same careful service.”

How the Process Works

Dominant Drycleaners has kept the process easy:

- **Book a pickup** by calling or messaging the team on the number given below.
- **Hand over your blankets** at your doorstep. The team collects them carefully and tags each item.
- **Professional cleaning** follows, with each fabric inspected and treated according to its needs.
- **Fresh delivery:** Clean, folded and packed blankets are delivered back to your home at the agreed time.

Customers do not need to travel across traffic or wait in queues. For anyone who has tried to carry a heavy quilt through the Indirapuram or Vaishali market area on a weekend, that convenience will be welcome.

Perfect Timing for the Season

The offer comes as temperatures drop and the winter wedding and festive season picks up. Many families are also preparing for guests, and clean, fresh bedding is high on the list. Households that put off cleaning during the warmer months now have a good reason to act.

The team also reminds customers that early booking helps. Demand for blanket cleaning rises sharply as the cold deepens, and booking early means quicker pickup and delivery.
