Family-Run Company Offers House Cleaning in Boise and Deep Cleans Across the Treasure Valley

Boise, Idaho Nov 19, 2026 (Issuewire.com) - Boise House Cleaning Co., a family-run residential and commercial cleaning company based at 800 W Main St in Boise, is booking house cleaning Boise, along with routine cleaning and move out cleaning Boise, for homes across the Treasure Valley. The company also offers apartment cleaning, commercial cleaning, and post-construction cleaning in Boise, Meridian, Eagle, Kuna, Nampa, Star, Garden City, Middleton, Caldwell, and nearby communities.

The company's website describes it as a local, family-run business that cleans homes for its neighbors and treats each home as its own. It states that its cleaners are licensed and insured, pass background checks, and arrive with the tools and supplies needed for the visit. The homepage lists a 4.9 rating based on 122 reviews. Residents who want a maid service Boise team can book a one-time visit or a recurring schedule.

"We are a local family cleaning homes for other families in Boise and the Treasure Valley," said Roohil Hamid of Boise House Cleaning Co. "People want a team that shows up, follows a checklist, and leaves the house ready to live in. That is the standard we hold on a weekly clean, a deep clean, or a move-out."

Services follow a detailed checklist covering kitchens, bathrooms, bedrooms, living areas, and frequently touched surfaces. Clients can book a one-time deep clean, help before or after a move, or a recurring schedule. Instant quotes and online booking are available at www.boisehousecleaningco.com, and the company's Google Business Profile is at this Google listing. Customers can also call or text (208) 361-1027. In addition to Boise, clients can book house cleaning Meridian and house cleaning Eagle through the same office. House cleaning Nampa is also available, along with service in Kuna, Star, Garden City, Middleton, and Caldwell.

As households in the Treasure Valley get ready for holiday guests and year-end move dates, the company says interest is typically strongest in deep cleaning, move-out cleaning, and regular weekly or biweekly service. It also states that commercial cleaning can be scheduled before or after business hours. Residents who need a one-time visit or a regular schedule can request a quote online or contact the office. No long-term contract is required to get a quote or book a first appointment.
