INVITATIONAL ONLY EVENT

Charlotte, North Carolina Nov 17, 2026 (Issuewire.com) - Family Services of America (FSA), a CARF-accredited foster care and behavioral health organization, is strengthening its presence in Mecklenburg County through its Charlotte office, expanding access to community-based services for children, youth, caregivers, and families.

To recognize this milestone, FSA will host an invitation-only ribbon-cutting ceremony on Thursday, November 19, 2026, from 2:00 to 3:30 p.m. at 5007 Monroe Road, Suite 200, Charlotte, NC 28205.

Headquartered in Fayetteville, FSA has served North Carolina families for more than 16 years. Its Charlotte operations bring together youth emergency shelter services, foster care placement and licensing, and outpatient therapy, supporting families and community partners through a coordinated approach to care.

From its Charlotte office, FSA provides a continuum of community-based services, including:

- **Youth emergency shelter services** dedicated to Mecklenburg County Youth and Family Services, supporting youth who need safe, short-term care while longer-term plans are made.
- **Foster care placement services,** including recruitment, training, licensing, and ongoing support for foster families who open their homes to children in need.
- **Outpatient therapy** for children, adolescents, adults, and families, delivered by licensed clinicians using trauma-informed, evidence-based approaches.

“Charlotte families deserve services that are close to home and built around their needs,” said **Shannon Battle, LCMHS, LCAS, President and Founder of Services of America.** “Our presence on Monroe Road is about partnership. We are here to work alongside Mecklenburg County and our community partners to strengthen families, support the youth and caregivers we serve, and connect people to the care they need.”

Guests will have the opportunity to tour the office, meet the FSA Charlotte team, and learn more about each of the agency’s programs. Community members, partners, and families with questions about specific services, or who are interested in becoming licensed foster parents, are encouraged to speak with staff during the event.

The ribbon-cutting ceremony is by invitation only. Invited guests are asked to RSVP to Monica Burrell at 980-507-4038 or monica@familiesofusa.com. Members of the media interested in attending should contact the media contact listed above.
