Haitian Anime and Movie Creator Leopaul Vertus Surpasses 500 Million Views on TikTok

The creator behind LeoPaulReacts turns standout scenes into conversations about what makes anime and movies worth watching.

Virginia Beach, Virginia Nov 16, 2026 (Issuewire.com**)** - Leopaul Vertus, the Haitian anime and movie creator behind LeoPaulReacts, has surpassed 500 million total views on TikTok. He has 225,500 followers and 20.9 million likes on TikTok, 46,000 followers on Facebook, and 25,000 followers on Instagram.

Born in Haiti in 2004, Vertus moved to The Bahamas at age 16. Now based in the United States and Eleuthera, The Bahamas, he creates content full-time.

His most-viewed TikTok, a reaction to the horror anime Amon: The Apocalypse of Devilman, reached 13.3 million views, with more than 682,000 likes and 40,000 shares. His reaction to a sniper scene from the Chinese animated film The Legend of Hei drew 1.9 million views.

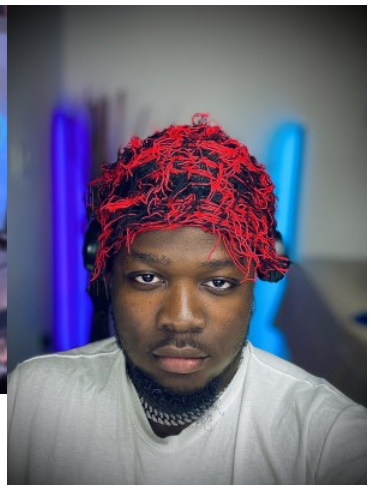

Vertus posts reactions, reviews, and commentary on anime, movies, and television. His videos range from horror anime to Chinese animation, highlighting the scenes that caught his attention and sharing what makes them worth watching.
