Flower Mound, Texas Nov 18, 2026 (Issuewire.com) - Joe Bogdan, a Senior Loan Officer with

Cross Country Mortgage, is building a mortgage practice focused on helping homebuyers, homeowners, investors and real estate professionals navigate residential financing throughout Texas.

Bogdan, whose full professional name is Joseph Henry Bogdan, is licensed as a mortgage loan originator in Texas under **NMLS #2795320**. Based in Flower Mound, Texas, he is initially focusing his mortgage business throughout North Texas and the Dallas-Fort Worth Metroplex, while also serving borrowers in major Texas markets including Austin, Houston and San Antonio.

His entry into mortgage lending follows more than 30 years of experience building and leading businesses across the United States. Before entering the mortgage industry, Bogdan served as CEO of multiple medical service companies specializing in remote patient monitoring.

He also brings personal experience in real estate, construction, investing and business ownership, including extensive experience buying and selling luxury homes and ranch properties.

I want borrowers to feel like they have someone who understands the entire picture and is willing to communicate with them throughout the process.*"

Bogdan works with borrowers seeking a range of residential mortgage options, including conventional, FHA, VA and USDA financing, as well as jumbo and specialty lending programs for borrowers whose financial situations may not fit traditional lending models.

His approach emphasizes relationship-driven communication and helping borrowers better understand financing options, qualification requirements and the steps involved from pre-approval through closing.

Bogdan can assist with areas of the mortgage process including income and asset review, credit and financing preparation, loan program comparisons, down-payment planning, refinancing analysis, underwriting coordination and contract-to-close support.

His primary Texas service area includes communities throughout Dallas, Collin, Denton, Tarrant and Hood counties, including **Granbury, Fort Worth, Dallas, Arlington, Plano, Frisco, McKinney, Allen, Prosper, Celina and Southlake**.

In addition to working directly with borrowers, Bogdan is developing relationships with Realtors, builders, financial advisors, CPAs, attorneys, insurance professionals and investors throughout Texas.

"*I have spent most of my career building businesses and relationships,*" Bogdan said. "*Mortgage lending gives me an opportunity to take that experience and use it to help people make one of the largest financial decisions they may ever make.*"
