Sports Medals for Clubs: All Sports Trophies Outlines Its Offering

The West Midlands family business sets out its range of medals, trophy cups, shields and salvers, and how clubs can order them for events.

West Midlands, United Kingdom Nov 4, 2026 (Issuewire.com) - All Sports Trophies, a family business trading for over 10 years, has set out its range of sports medals for UK clubs, leagues and event organisers, covering sizes, finishes, personalisation and bulk ordering.

Sports Medals Planning for Clubs

The company began as a shop serving only local customers. It now runs an online store that sends out hundreds of orders each month to new and established customers across the UK. Stock is held in the UK, which supports a quick turnaround.

A medal gives an athlete a lasting reminder of an event. It can be chosen to reflect both the occasion and the specific achievement it marks, whether that is a first-place finish or simply taking part in a season-long league. Clubs that match the award to the achievement give every age group a clear reason to value it, and that is worth planning for early.

Medal Styles, Sizes and Finishes

Organisers choosing medals should weigh the scale and budget of the event before settling on a design. A large tournament with many entrants calls for a different approach from a small club presentation evening. Ask any provider which sizes and finishes are in stock, and whether ribbons are supplied with the medals. Placing an order early leaves time to check the details before the event date.

Custom sports medals can carry a personalised centre showing a club logo, theme or event details. The company also supplies trophy cups, shields and salvers, so sports awards and medals can be ordered together for one presentation.

Engraving and Bulk Orders

Engraved medals and bespoke centres can carry club imagery and branding. These options apply to single orders and to large tournament quantities alike, and the company says each order is treated with the same importance. Clubs that need custom medals and trophies from one supplier can ask for pricing on the whole order. All Sports Trophies describes its pricing as competitive.

"We will work to your budget to get the best products to match, whilst not compromising on quality," said a spokesperson for All Sports Trophies.

The company says it offers support before, during and after a sale. Clubs that want a medal for a particular sport, or a bespoke design, can contact the team to discuss what they need. Ask for a quote and a delivery estimate before ordering. The company's motto is Keeping Prices Low & Delivery Fast.
