Strictly Kong Presents: Monsta Kodi — “Pardon The Interruption” Featuring Jordan Lee

Jacksonville, Florida Nov 6, 2026 (Issuewire.com**)** - Strictly Kong ENT proudly presents “Pardon The Interruption,” a collaboration featuring recording artist Monsta Kodi alongside Jordan Lee. The release brings two creative voices together for a musical experience built around confidence, personality, and artistic expression.

With a title that commands attention, “Pardon The Interruption” represents more than a musical statement. It symbolizes the determination to make your presence felt, embrace individuality, and create your own opportunities in an increasingly competitive music industry.

TWO ARTISTS. ONE COLLABORATION. AN UNDENIABLE STATEMENT.

Monsta Kodi continues to build his artistic identity through independent releases, collaborations, and visual storytelling. Teaming up with Jordan Lee, “Pardon The Interruption” introduces another chapter in his growing catalog.

The collaboration highlights the importance of creative partnerships and the ability of independent artists to connect with listeners beyond traditional industry boundaries.

Backed by Strictly Kong ENT, the release reflects a commitment to artist development, creative independence, and bringing original music to audiences worldwide.
