Montgomery, Alabama Nov 19, 2026 (Issuewire.com) - A New Era of Executive Leadership, Talent Discovery and Music Industry Innovation.

SUPA Music Group proudly announces its strategic partnership with Jameka "Mdgc Meka" Foulks, appointing her as Executive Vice President of A&R and Label Operations. Operating independently, SUPA Music Group maintains an imprint with distribution through Warner Records, positioning the company to connect emerging talent with broader music distribution opportunities while maintaining its independent identity and creative direction. With deep connections rooted in Montgomery, Alabama, and an impressive 12-year presence in Atlanta's competitive music scene, Foulks has carved out her name in the entertainment industry through strategic relationships, talent discovery and creative marketing. SUPA Music Group CEO Fredrick "Fredpooh" Spencer recognizes Foulks for her exceptional ear for music, outstanding ability to scout emerging talent and innovative approach to marketing and artist development.

In her new executive role, Foulks will spearhead talent acquisitions, oversee A&R initiatives and label operations, and lead efforts to sign and develop recording artists, music producers and DJs.This powerhouse partnership marks an exciting chapter in SUPA Music Group's expansion, combining experienced executive leadership, industry relationships and distribution opportunities with a bold vision for the next generation of music talent.

From Montgomery to Atlanta and beyond — a new era of music leadership begins.
