Vacheresse Silver Corp (VSC) Announces CAD $3 MILLION PRIVATE PLACEMENT OFFERING AT $1.25 PER SHARE

New financing initiative intended to support the advancement of the Company's Northern Ontario silver exploration strategy

Toronto, Ontario Nov 10, 2026 (Issuewire.com) - Vacheresse Silver Corp. ("Vacheresse" or the "Company"), a Canadian mineral exploration company focused on silver and associated base metal opportunities in Northern Ontario, announced a private placement offering of up to 2,400,000 common shares at a price of CAD $1.25 per share, for potential gross proceeds of up to CAD $3,000,000.

The offering follows a review of the Company's corporate financing strategy by its Board of Directors and is intended to provide further capital to advance the Company's exploration objectives and longer-term development plans.

Advancing the Vacheresse Silver Project

Proceeds from the financing will support the Company's planned exploration activities at its flagship Vacheresse Silver Project, located in Daumont Township within Northern Ontario's historic Bruce Mines mining district.

The Company's exploration strategy includes continually evaluating historical geological information, identifying and prioritizing prospective exploration targets, conducting technical assessments and planning future exploration programs.

The Company intends to pursue these activities through a disciplined approach to capital deployment

and technical evaluation.

Leadership Commentary

"Our Board and management team remain focused on building a strong foundation for the long-term development of Vacheresse Silver Corp.," stated **Christian Diesveld, President and Chief Executive Officer**.

"This financing is an important component of our corporate strategy as we seek to advance the Vacheresse Silver Project through systematic exploration, sound technical evaluation and disciplined capital management."

"Furthermore, we firmly believe Northern Ontario offers a compelling environment for mineral exploration and our objective is to methodically evaluate the potential of our property while creating a strong foundation for sustainable long-term shareholder value."

About Vacheresse Silver Corp.

Vacheresse Silver Corp. is a Toronto-based Canadian mineral exploration company focused on exploring and potentially developing silver, lead and zinc mineralization in Northern Ontario.

The Company's flagship Vacheresse Silver Project comprises mineral claims located in Daumont Township, within the historic Bruce Mines mining district.

Vacheresse is committed to responsible mineral exploration, technical discipline and long-term shareholder value.
