YVP Brings 2026 Rockefeller Center Tree Lighting Gala to Radio Park Rooftop Above Radio City Music Hall

On December 2, guests will watch the Christmas Tree lighting from a private rooftop terrace or a reserved plaza-level viewing area, with luxury hospitality, live entertainment, and support for Make-A-Wish® Metro New York and Western New York.

New York City, New York Nov 23, 2026 (Issuewire.com**)** - Your VIP Pass (YVP) is bringing a new perspective to one of New York City's most beloved holiday traditions. On Wednesday, December 2, 2026, the luxury hospitality company will host its YVP Rockefeller Center Tree Lighting Gala at **Radio Park, the spectacular rooftop garden above Radio City Music Hall**, offering guests an extraordinary way to experience the iconic Rockefeller Center Christmas Tree Lighting.

The exclusive evening will combine elevated holiday dining, premium cocktails, live entertainment, and two distinctive viewing experiences: a rooftop terrace overlooking Rockefeller Center and access to YVP's private plaza-level viewing area directly in front of the Christmas Tree.

A New Perspective on an Iconic New York Tradition

For 2026, YVP introduces Radio Park as its new gala location, transforming the rooftop above Radio City Music Hall into an elegant holiday celebration.

Guests will enjoy seasonal cuisine, a premium open bar featuring festive cocktails, live music, dance performances, and entertainment inspired by the magic of Radio City. Beautifully designed indoor

spaces and an outdoor rooftop terrace will provide an intimate setting above the excitement of Midtown Manhattan.

Celebrating with Purpose

This year's gala will also support **Make-A-Wish® Metro New York and Western New York**, bringing a meaningful charitable component to the celebration. Guests will have the opportunity to contribute directly to the organization, which grants life-changing wishes to children with critical illnesses.
